Goals	Challenge of Practice	Success Criteria
<b>Improve children's use of expressive language to enable them to communicate more confidently.</b>	If we implement a consistent whole site approach to supporting children's use and understanding of language, then we will increase children's ability to use language in their everyday experiences.	Data from term one and three will show an increase in vocabulary. Children will be using and understanding the meaning of more tier two and three words. A shared understanding with families of how we can support expressive language in children's development.

National Quality Framework Priorities	Key steps
To continue the improvement of the outdoor learning environment.	Consult on final plans with children and families. Liaising with landscaper and architect for best design.
Improve parent and family engagement in the learning program.	Holding parent information sessions on literacy and numeracy. Invite families to engage with teams posts through questioning and facilitating provocations at home.
